Description

The hydraulic over bed table is ideal for quick and easy care home use, with a height adjustable top between 750-1090mm high. It's slim profile allows it to be used with most profiling beds, gliding effortlessly under the frame on the castors provided. The quick and easy nature of the hydraulic lift action enables the table to be moved between rooms quickly and easily hit the perfect height for each resident for dining.

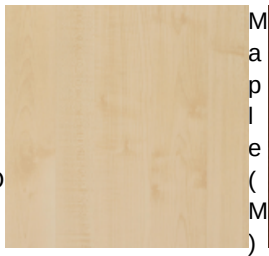

Choose from a selection of wood effect hygienic melamine finishes to compliment our complete ranges of bedroom furniture.
