Description

The Preston high back armchair with wings is our most popular chair for care and residential homes, combining a more modern style with exceptional comfort and great value. This comfortable classic styled wing chair is among our most popular chairs given its design and affordability. The rear leg is one continuous piece from the floor to the top of the back, adding to the overall strength and durability of the chair. Where rear legs are screwed on, a weak point is created right where the chair needs the most strength.

The hardwood beech frame features glued screwed and doweled joints for superior strength and durability, and is finished with Hygienilac wood lacquer to kill bacteria. With a light oak frame as standard, there is a full range of wood stain colours to choose from as well as a large selection of crib 5 faux leather and fabric upholstery choices. For those looking for a speedy resolution, this chair is available for delivery within 5 working days, upholstered in Manhattan Antique Cream faux leather - subject to stock.

A selection of vinyls and waterproof fabrics are available for selection - we always recommend obtaining sample pieces of fabrics to check for colour scheme arrangements. Can't find what you're looking for? [Click here or contact the office to discuss alternatives.](#)

This chair is made to order, with a lead time of approximately 4-6 weeks.

5 year guarantee on frame and springs!
