Description

The Oxford bedroom furniture collection is designed exclusively for residents living with dementia. The large swoop design handles in this 5-drawer chest of drawers allows for valuable see-and-feel opportunities to help avoid anxiety and access confusion. Being able to see and feel what is inside can often help.

These pieces are hand-finished with melamine faces to aid easy-cleaning and hygiene. Manufactured specifically for severe contract use, joints are glued, screwed and doweled for the utmost in strength and build quality. Available in a range of wood effect colours, as well as the option for white contrast door and drawer fronts.
