Oxford Dementia - Three Drawer Wide Chest

From: £162

Quantity	Price
1 - 9	£176
10 - 19	£169
20 -	£162

Description

The Oxford dementia collection is a care home bedroom furniture package designed exclusively for residents living with dementia. The three drawer wide chest is among our top sellers from the collection, with large swoop design handles providing a key opportunity to see and feel what is inside, which can often help to reduce anxiety and access confusion.

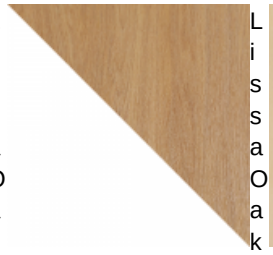

These pieces are hand-finished with melamine faces to aid easy-cleaning and hygiene. Manufactured specifically for severe contract use, joints are glued, screwed and dowelled for the utmost in strength and build quality. Available in a range of wood effect colours, as well as the option for white contrast door and drawer fronts.
