Oxford Dementia - Four Drawer Wide Chest

From: £186

Quantity	Price
1 - 9	£202
10 - 19	£193
20 -	£186

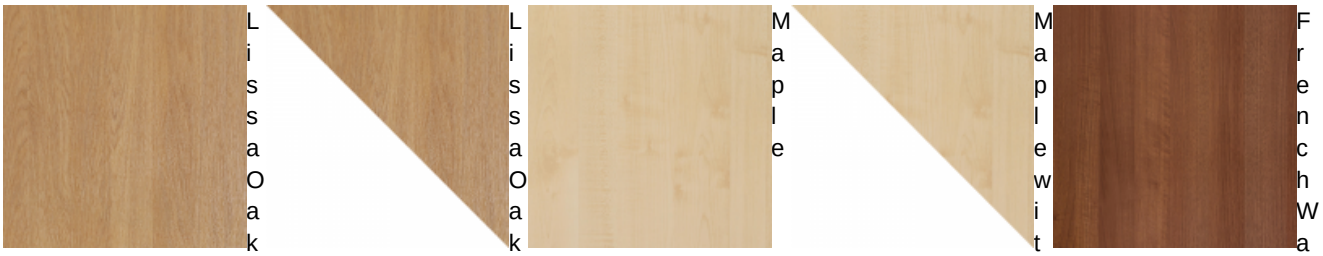

Description

The Oxford bedroom furniture collection is designed with dementia in mind to aid care home residents living with the illness. The large open swoop handle design provides a key opportunity to see and feel what is inside, which can often help to reduce anxiety and access confusion.

These pieces are hand-finished with melamine faces to aid easy-cleaning and hygiene. Manufactured specifically for severe contract use, joints are glued, screwed and dowelled for the utmost in strength and build quality. Available in a range of wood effect colours, as well as the option for white contrast door and drawer fronts.
