Oxford Dementia Range - Single Door Wardrobe

From: £234

Quantity	Price
1 - 9	£254
10 - 19	£244
20 -	£234

Description

The Oxford bedroom furniture collection is designed exclusively for residents suffering with dementia. The single door wardrobe features an open section of the wardrobe provides a key opportunity to see and feel what is inside, which can often help to reduce anxiety and access confusion, in addition to a large visual swoop handle.

These pieces are hand-finished with melamine faces to aid easy-cleaning and hygiene. Manufactured specifically for severe contract use, joints are glued, screwed and dowelled for the utmost in strength and build quality. Available in a range of wood effect colours, as well as the option for white contrast door and drawer fronts to help distinguish the furniture as eyesight deteriorates.
