Description

The Panel Crescent Workstation with panel ends and 25mm MFC top creates a robust traditional durable desk.

The return on the desk is 600mm, with an optional 1000mm return also available. The desk can be ordered with no cable ports to give a complete smooth surface (please contact office when placing order), but does feature 3 cable ports as standard.

Please note that this desk is delivered in flat-pack form and some simple self-assembly is required.

For a discount for larger quantities, please contact the office on 01494 670 600.

5 Year Guarantee!
