Description

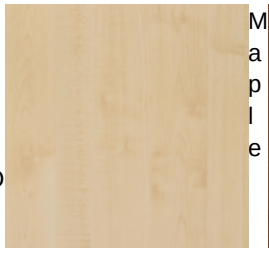

The Collingwood rummage chest provides top quality drawer storage for any care home lounge. Complimenting the rest of the Collingwood furniture range, this chest provides the most storage of any with seven drawers in total. All of the Collingwood range is designed and built for care home use, with solid backs to all items providing stability and durability, and use of top quality fixings in the glued, screwed and dowelled joints. Metal sided drawer boxes and solid drawer bases ensure that even the larger drawers will not bow under the weight of their contents.
